

"We know, dear brothers and sisters, that God loves you and has chosen you to be his own people. For when we brought you the Good News, it was not only with words but also with power, for the Holy Spirit gave you full assurance that what we said was true. And you know of our concern for you from the way we lived when we were with you."

Dear Ministry Partner, these are Apostle Paul's words to the new Christians in Thessalonica, where he spent three weeks, and later sent Timothy to see about their growth, and report back (1 Thess. 1:4-5). Part of our team was asked to stay back and ensure the proper follow up of the souls won to Christ during the Wum Outreach, together with the trained counsellors. We are humbled to see how God is answering our prayers.

The Zion Baptist Church Hosted the Follow Up Meetings

It was an uphill task reaching the top of the hill where ZBC is built, but the people had to brave it.

Even with her advanced pregnancy, Seveline Chong walked 1.5 km (almost 1 mile) each day to attend follow up.

Although blind, Papa James attended all the follow up sessions. Other elderly persons were regular, as lessons were held in Pidgin English.

Thoughtful Words from Some Participants

"The lesson – Your New Relationship and Fellowship with God – has helped me to understand that I was born again, and have now become God's very own child." Victorine Ebu

"Before now, I was always afraid, ashamed and spiritually sick when I was asked to share my faith. After these lessons and the filling of the Holy Spirit, I am now ready to preach the gospel no matter the threat, mountain or valley, gun, sword or knife." Elvis Garba

"I must confess that before these lessons I had been living a carnal life because my life was not controlled by Christ. I never ever had time to study God's Word. These lessons have brought a very big change in my Christian life. Today, as Jesus' sheep, I can now listen to Him through the Word of God and follow Him by doing what He expects me to do. I will no more forsake the gathering of the brethren." Patricia Nkwan JAI (Prison Officer)

"What we have not been able to achieve in this church after over 4 years of struggling, God has done in less than a month. I could not afford to miss any of the sessions, and seeing the impact of the teachings in my own life, I had to make the classes compulsory for all baptismal postulants of the Zion Baptist Church in Wum." Pastor Ndifon (host of the follow up lessons)
